

# Login To Department Intranet Using Internet Explorer

- You can't access the department intranet using your AMC login so you must....
- Select "Use another account" then....
- Type in your full UW email address (e.g., [janedoe@uw.edu](mailto:janedoe@uw.edu)) then....
- Type in your UW NetID password (same one you access [MyUW](#))

- **If you are at the VA** you must type in netid\ before your UW netid email then...
- Type in your UW NetID password (same one you access [MyUW](#))

If you do not know your UW email password you can reset it by calling 206-221-5000. The help desk at that line will need your UW Employee ID #. This number is located on your husky card or within the [Workday](#) system. Or you can call the Chair's office to obtain your EID#.
