School of Medicine

Department facts

MISSION

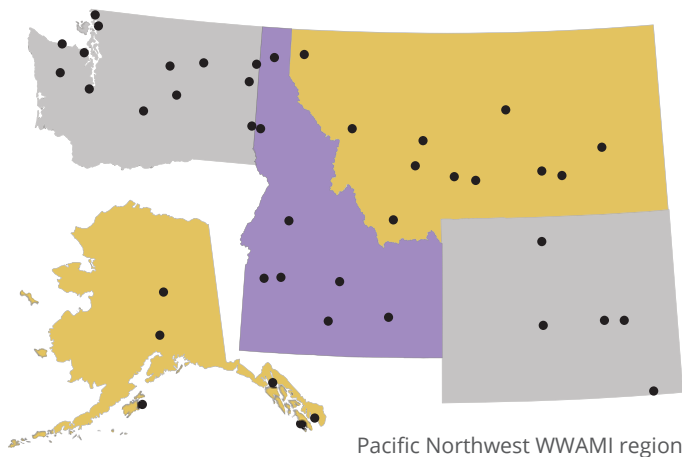

The Department of Psychiatry and Behavioral Sciences at the University of Washington is dedicated to improving the health of the public through excellent clinical care, education and research. As the only academic psychiatry department serving the WWAMI region of Washington, Wyoming, Alaska, Montana and Idaho, we partner with healthcare organizations and providers throughout the region to reach patients in need and to train the next generation of mental health professionals for the Pacific Northwest and beyond.

BY THE NUMBERS

- 270 Regular Faculty
- 284 Clinical/Courtesy Faculty
- 68 Psychiatry Residents
- 16 Psychology Residents
- 276 Medical Students
- 200 Staff
- \$70 million annual budget
- \$35 million in grants and contracts/year

TRAINING PROGRAM SITES

We support the largest psychiatry training program in the United States
